Bon Voyage celebration is tonight!

Don't miss our Bon Voyage closing ceremonies tonight starting promptly at 6:30 p.m. Doors to the Promenade Deck open at 6:15 p.m. We've got some great music, stories and a surprise or two planned for you.

We'll also find out what's going to happen as absent minded Captain Stuart Bing has his final clash with the sinister Mackerel McWeasel.

You see, during the cruise, McWeasel, the ship's bilge rat, was plotting a way to get promoted into engineering by breaking something that only he could fix and thus appear to save the day.

When the crew visits an island, McWeasel is free to remove and hide a thing-a-ma-bob and a doohickey that will prevent the ship's engine from starting.

As we join the crew tonight, McWeasel has retrieved the doohickey, but has lost the thing-a-ma-bob he'll need to conclude his deceitful plan to gain a promotion. What will happen next?

Find out tonight and cheer on our cast of characters played by Aaron Pakulak, Austin Hesse, Christopher Pino, Ian Fuller, Grace Rogers, Kristen Schweitzer, Lauren Novak, and McKenzie Cochran.

Parents please note: Please drop off your kids in their rows as usual. We ask you to pick them up from their classrooms in Faith Fellowship Hall. A sign at the end of each row will show which classroom to go to, and each classroom door will be marked with the row number. Any questions? Just ask! Thanks.

See you at 6:15 p.m. tonight!

DIVE INTO FAITH

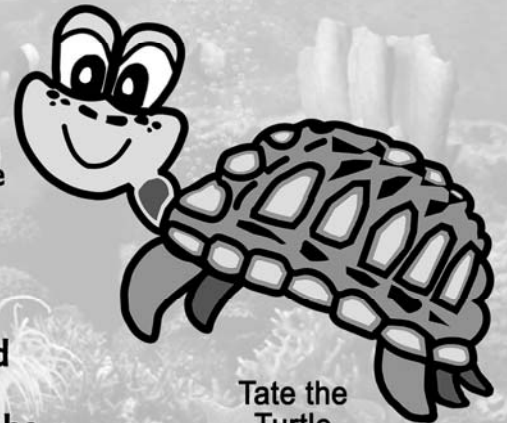

Jesus lights up my life with faith.

Today's Bible story was about the time Jesus walked on the water of the Sea of Galilee. Peter tried to do it too but it didn't go so well.

Immediately, Jesus reached out his hand and caught him. "You of little faith," he said. "Why did you doubt?"

GO FISH!

Or the view from DOWN UNDER

We don't like using anonymous sources — after all, we've been held up as an example of the finest in journalism since this past Monday — but this story is too good not to pass along:

■ While helping with the 4&5 year olds, a little boy told me he was mean to others and he doesn't want to be mean anymore. So I told him to ask God to help you by praying. He said to me, "but I don't know how to pray." So we prayed together "God, please help me to not be mean and to be nice to others. Amen."

■ At Easter Island on Thursday the sailors discussed why they thought it was important to wash the disciples feet? **Aleksandriya Dzheneva, Amber Tschendorf** and **Alexa Smith** said Jesus gave us the example to follow of how we should serve others.

■ BTW, as someone who has several friends in Russia, and was involved in producing the VBS name tags, we hereby declare that Aleksandriya has the coolest name at VBS this year.

■ The Kindergarten sailors at Lively Luau Island are learning to lead prayers. **Elly Cordaro, Brylee Martin** and **Anthony Acquafredda** have all volunteered to pray before snack and at times when friends needed help throughout the week.

■ Thanks for sending in your news tips. See you next year!

Moray SRS allows fresh take on what it means to dive deep into God's word

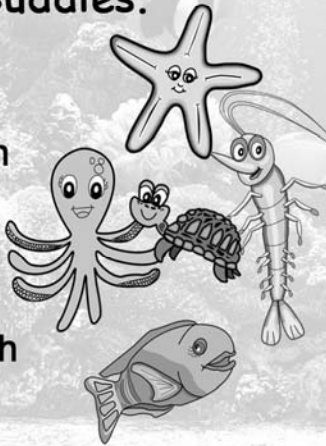

Diving in their own mini submersible research ship, the 5th graders of Moray SRS have been treated to a truly new perspective on some of this week's Bible stories — as in, for example, how would it appear from below to watch Jesus calm the storm over the Sea of Galilee? Or even watch as Jesus walked on the water above them, and saw Peter try with mixed results? Very interesting! This week they also had some amazing dives to see to see anglerfish aglow, and sharks hunting in a deep coral reef.
