## Courageous Cougars score early Bible points

It didn't take long for the 1st and 2nd Graders of the Courageous Cougars to hit the field and score some Bible knowledge as the VBS 2017 All Star Games kicked off on Monday. Coach Doug Grandey, who looks a lot like ESON's David Sumerall, gathered his players in their locker room and reviewed the Old Testament story of Joseph. Joseph was a true champion of God, who exercised forgiveness for his brothers, who had done some nasty stuff to him. You can read about in Genesis 50. The Courageous Cougars heard the story via a skit performed by two of their own: Ethan Nunes and Catie Grandey (above).

## HIGHLIGHT REEL

Two things to highlight today:

■ How about those snacks! Son Light Stadium vendor, the Concessions Café know how to keep a team fed. Monday's soccer guy snack and Tuesday's basketball cheeseballs were great! Still ahead: Baseball glove animal crackers, popcorn bags and football cupcakes. Thanks to **Joyce Hesse** and **Joann Holt**, and crew, for making snack time fun!

■ And how about those VBS music videos! It's so fun to learn the words and moves of our favorite songs with our own videos. Our music leaders taped these a few months ago with the help of videographers **Kris Pakulak** and **Nina Cox**. They travelled to football, soccer, and baseball fields; a basketball court; and the Space Coast Iceplex in Rockledge. Thanks to **Ashley Anderson**, **Mackenzie Cochran**, **Lauren Nowak**, **Makayla Peterson** and **Kristen Schweitzer**.

*Highlight Reel* is here to share your stories about VBS, so send us your news tips. Text them to 321-698-0591 or email them to [vbs2017@aol.com](mailto:vbs2017@aol.com). ed full names and ages or grades, please. It's all due by 2 p.m. each day.

## New fun for Cheeseheads for Jesus?

Cheese is usually meant for placing atop a burger, buried in a thick sandwich, served with crackers, melted in a fondue or for any number of other delicious possibilities.

Yup! Like the sport of extreme ironing mentioned on Monday, Cheese Rolling (yes, it's capitalized) is a thing. It's more than a thing. It's a real sport.

It most famously takes place each year at Cooper's Hill in Gloucester, England. There's a super steep hill there and

Some people like to wear cheese on their heads, such as our own 3rd and 4th grade team, the Cheesheads for Jesus.

That's strange enough, but rolling giant wheels of cheese down hills?

people from all over the world gather there to roll a seven-pound wheel of cheese down the hill.

The goal is to race the

cheese wheel to the bottom of the hill, doing your best to follow it as closely as you can. First to cross the finish line wins the prize.

It's not an easy race. With people racing an object moving as much as 30 mph, racers can easily find

themselves tumbling just as fast, which can't always be healthy. It's not a sport you'll ever see played at Son Light Stadium, even if there was a hill nearby.

Tomorrow we take a look at another weird sport: Toe Wrestling.

## GAME TIME

Move the blocks of letters into the blank boxes below to spell out a sentence that is important to all of us this week at VBS. Two are done to get you started. It's a slam dunk from there!
